GC550 Pro
2K Mini Body Camera

Hytera GC550 Pro 2K Mini Body Camera is designed to capture clear photos and videos as objective evidence from the field to the court. It boasts a variety of powerful features, both hardware and software, to promote transparency of law enforcement and workplace interaction, as well as to ensure safety for professionals on duty. Its 2K HD wide-angle camera records more details in a super-wide field of view.

GC550 Pro as a new member of the Hytera body camera series is the smallest in size and lightest in weight; its ergonomic layout and shape make it easy to operate single-handedly. The sliding switch enables the quick start of recording in emergencies and intuitively shows the recording status through its position.

 **Light but Powerful**

Smaller than a standard business card and weighing less than 117 grams, GC550 Pro is easy to hold in the palm or clip-on the outfit of officers who are always on the go. This compact but mighty camera lightens the everyday carry for frontline officers.

 **Stress-free Wearing Experience**

Officers can wear GC550 Pro on the epaulette or the front pocket by using different carrying accessories. A 360° swivel clip allows officers to easily rotate GC550 Pro and find the best recording angle.

 **Power Extra-long Shift**

GC550 Pro has a non-removable high capacity battery that can record videos continuously up to 13.5 hours at 720p. It meets the requirements of extremely long working shifts.

 **Stunning Details with 2K Resolution**

GC550 Pro records every encounter around officers in ultra-clear 2K resolution with advanced Electronic Image Stabilization (EIS) for steady, detailed video. Such clearer and smoother videos help to reveal crucial details for judiciary professionals, who can better understand what happened and make more informed decisions accordingly.
